## Main Menu

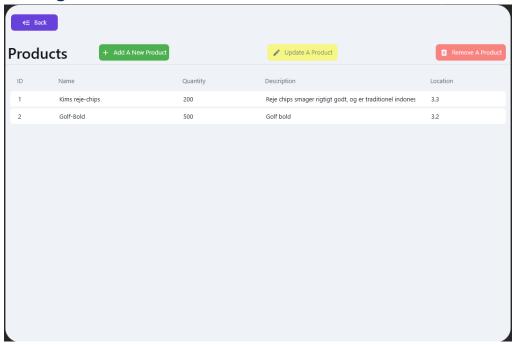

## **Navigation**

- Use the buttons on the left menu bar to go to different pages.
  - o Products, goes to a page that displays a list of products.
  - o Employees, goes to a page that displays a list of employees.
  - o Orders, goes to a page that displays a list of orders.
  - o Exit, closes the application.

## **Pages**

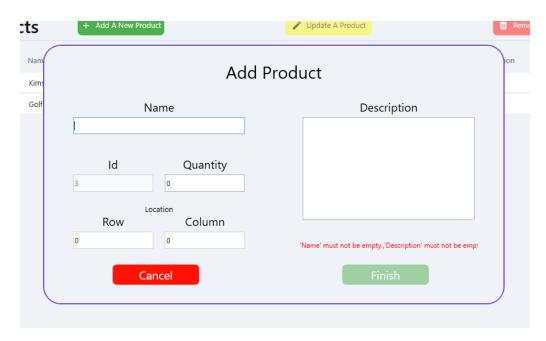

#### **Info Pages**

The info pages, are made to look and be very similar, meaning that the functionality is the same across the different pages.

#### **Adding Entries**

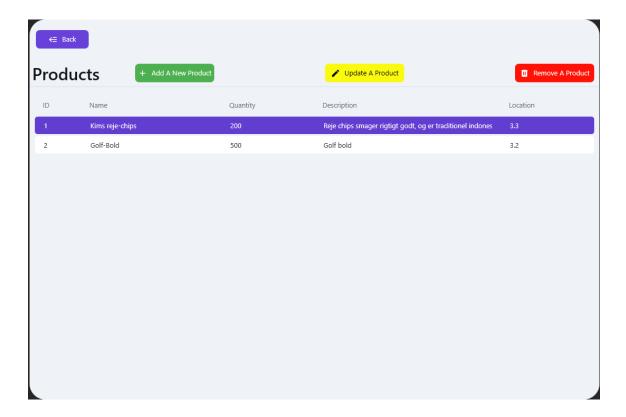

To add a new entry, click on the green "Add A New.." button, this will open a new window where you will be prompted to input the information related to the entry.

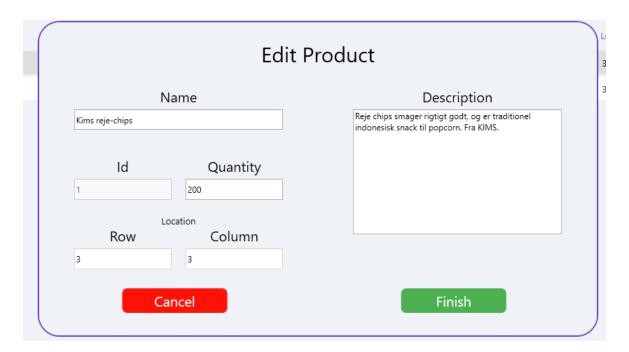

After filling in the information, clicking the green "Finish" button will then add the entry to the system.

#### **Update Entries**

To update the information of an already existing entry, Select the wanted entry by finding and clicking on it in the list, the entry should then be highlighted showing that it is selected.

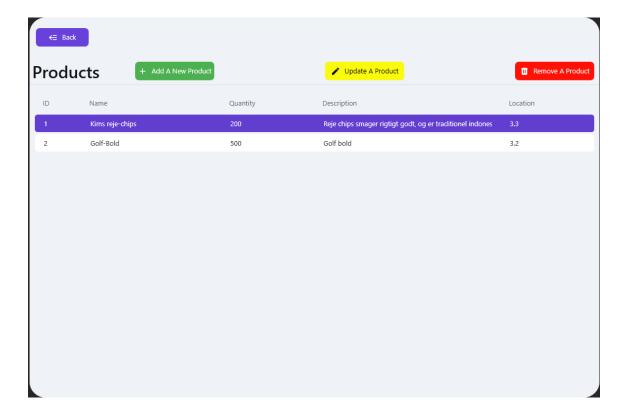

The yellow "Update A .." button at the top should now be highlighted, clicking on it will open a new window where you will be able to change information relevant to the entry.

After updating the information, clicking the green "Finish" button will then update the entry.

### **Deleting Entries**

To delete an entry, Select the wanted entry by finding and clicking on it in the list, the entry should then be highlighted showing that it is selected.

The red "Remove A .." button at the top should now be highlighted, clicking on it will prompt you to decide whether you are sure you want to remove the entry or not.
